

**2023 USTA Tennis Ball Testing Application
Transition Balls Only**

(Submit one complete application for each ball to be tested)

The undersigned manufacturer or distributor of tennis balls requests the United States Tennis Association to test the following brand of tennis ball to determine whether such balls comply with the Rules of Tennis for the year 2022.

Brand Name: _____ **Color:** _____

Production Location: _____ **Ball Type:** _____

Felt Information (Needle/Woven/Etc): _____ **Stage:** _____

If not the undersigned, name and address of the manufacturer:

Location of packaging or canning
(If different from ball production location) : _____
Method of shipment to USTA : _____
Date shipped to USTA : _____

In order to induce the USTA to perform the aforesaid service, the undersigned hereby agrees as follows:

1. **To pay, simultaneously with this application form, a testing fee of \$800 for transition balls.**
2. Submit a test sample of two (2) dozen tennis balls for standard ball types
3. The tennis balls provided become the property of the USTA.
4. The undersigned further agrees that with respect to tennis balls used in USTA Sanctioned National Championship Tournaments or events, it will not use the name of any club, tournament, or event on boxes, cans, containers, or wrapping, or in any advertising or literature, except in programs sold only at such USTA tournaments or events and its literature.
