Player Availability Tool

- Go to the USTA NORCAL Website and find the NorCal Login option. Once you're logged into your profile, all teams you're registered on will be displayed on your profile page.

- Select the team, from the team page you will see blue and white buttons with player availability as one of the options. Select that option and a window open up for you to input your availability. Select your name and and choose your options:

  - Yes
  - No
  - Maybe
  - Call last
  - 1st shift only (This is for matches with split start, ie L1 L2 @6PM L3 @7:15PM)
  - 2nd shift only (This is for matches with split start, ie L1 L2 @6PM L3 @7:15PM)
  - Singles
  - Doubles

- If your availability changes, do go back to the steps above and update as the season progresses.
