SUMMER LEAGUES:

REGISTER NOW!

It snowed in the PNW recently! But just as winter clings onto the area, we are seeing signs of summer upon the horizon. Our gardens are starting to come to life, as is the PNW League website, with Summer league registration opening for several leagues.

Summer One Doubles, Summer Flex Singles, Co-Ed One Weekend Leagues, Adult 70 & over, and Mixed 40 & over leagues are some of the fun leagues that fill our courts during the long days of summer. It's time to start planning your summer tennis by visiting the PNW League website HERE.

Additional Summer leagues will be launching soon in your area. Make sure to check our website often and reach out to your Regional League Coordinator if you need help finding a team this Summer.

Goodbye Winter. Hello Summer!
