

CONGRATULATIONS

DANI MCINTYRE, OUR 2023 T-SHIRT DESIGN WINNER!

My name is Dani and I've been a graphic designer and a Seattleite for +25 years.

I started playing tennis again in my 40s and it has become one of my very favorite things in life, right up there with family, friends, animals and nature. I love playing outside in the summer and am often in awe when I look around me. There are so many courts with this similar view, not to mention water and mountains! I was inspired to bring this view and this feeling together when representing the USTA Pacific Northwest section. **Go PNW!**
