

USTA League Suspension Point System Championship Year 2022

1. *Application.* The USTA League Suspension Point System applies to sanctioned USTA League competition. It applies to conduct:
 - a. During all League Events, which is defined as any events hosted by USTA League programs including, but not limited to, Local League Play, Championships at all levels, and Player and/or Captain gatherings for the time periods prior to and after such events;
 - b. At League Event facilities, including lodging where players stay for such Events, the locations of any off-site activities during such Events, and electronically/online; and
 - c. By players competing in League Events, affiliated League Captains (individuals designated or recognized as managing team activities and representing the team in USTA League matters) and team members.
 - i. When a Sportsmanship violation occurs that involves a doubles team, suspension points shall normally be assessed only to the doubles player who was responsible for the violation (Exceptions may be made if both players are responsible for such violation, or for a playing Captain who was the partner of the violating party, see 5.c. below).
 - ii. Flagrant sportsmanship, self-rate and extreme circumstance violations (see USTA League Suspension Points Table) may result in assessment of suspension points on Captain(s) and team members (incl. entire team) involved in such conduct.
2. *Suspension points.* After consultation with the Sectional Associations and the USTA League Department, the USTA League Committee annually shall determine the violations that will result in suspension points and the number of suspension points for each violation, and shall publish the violations and suspension points in the USTA League Suspension Points Table. Multiple violations within the same League Event and/or multiple violations of self-rating within the NTRP system may be aggregated under the suspension points schedule.
3. *Reporting misconduct.* Persons who observe misconduct by a player or Captain on or off the court may report it following USTA League Regulations *Section 3.00 Grievance Procedures*, including *3.02 Grievance Types*, *3.03A(1)*, *3.03A(5)* and *3.03A(6)* and *3.03E NTRP Grievances*:
 - a. During Local play see also regulations *3.03B Local League Procedures*
 - b. During Championships see also regulations *3.03C Championship Procedures*. Tournament staff and League Coordinators may report to the Head Referee or the Referee's designee and/or the Championship Committee on or off court violations that may result in suspension points but were not witnessed by any Referee, and points may be assessed per *Section 5 (Assessing and reporting suspension points)* below.
4. *Suspension Point Administration.* The USTA League Suspension Point System shall comply with Regulation *3.01 Administration*.

5. Assessing and reporting suspension points

- a. Local Play
 - i. The Local League Grievance (or Local League Grievance Appeal) Committee may assess suspension points for conduct in Local play.
- b. Sectional and District/Area
 - i. The Sectional Association League Grievance (or Sectional Association League Grievance Appeal) Committee may assess suspension points for conduct in Sectional play.
 - ii. The District/Area League Grievance (or District/Area League Grievance Appeal) Committee may assess suspension points for conduct in District/Area play.
- c. Championships
 - i. The Head Referee or the Referee's designee may assess suspension points for conduct at a League Championship; such points will be reviewed and approved by the Head Referee (for points assessed by the Referee's designee) and/or Championship Grievance Committee. The Referee shall report points assessed following Regulation *3.03C(1)*.
 - ii. The Championship Grievance (or Championship Grievance Appeal) Committee may assess suspension points for conduct at a League Championship. The Championship Grievance (or Grievance Appeal) Committee shall report points assessed following Regulations *3.03C(1)*
 - iii. No Grievance will be accepted in the same matter for which the Head Referee or the Referee's designee has assessed suspension points.
- d. A Captain may be assessed suspension points as a Captain for conduct of their player(s) if there is a finding that the Captain was a party to such conduct, or reasonably could have (or should have) intervened and failed to do so (e.g. their doubles partner is smashing rackets or making repeated, clearly intentional bad line calls and the Captain ignores the situation).
- e. A Captain who is also a player will be assessed suspension points as a player for their own conduct.
- f. Suspension points assessed to a playing Captain as either, or both, a player or Captain will be aggregated toward the suspension level (i.e., 5 suspension points as a player, and 5 as a Captain in the same 12-month period would reach the first suspension level of 10 points in a 12-month period).
- g. If a Captain is also a League player and accumulates suspension points resulting in a suspension, that suspension will apply to their participation in all League Events, as a player or Captain.
- h. Points shall be assessed pursuant to USTA League Suspension Points Table. Failure to report shall not invalidate any penalties imposed or suspension points assessed.

- 6. Notification of points assessed.** The person filing the suspension point report or that person's designee shall notify the player (and their Captain), or Captain (for suspension points accumulated by that Captain, including those as a player) of the suspension points assessed following Regulation *3.03D(3)* and shall record the method of notification (see Regulation *3.05B*). Failure by the player or Captain to receive the notification or by the responsible party to record the method of notification shall not invalidate any penalties imposed or suspension points assessed.

7. *Appeal of suspension points.* Under Regulations 3.01B, 3.04 and 3.05 assessment of suspension points may be appealed. Points removed from the player or Captain's record as a result of an appeal process shall not count toward a suspension.
8. *Written notice of suspension.* After a player or Captain has accumulated points resulting in suspension, notice shall be sent to the player (and their Captain), or Captain (for suspension points accumulated by that Captain, including those as a player), pursuant to Regulations 3.03D(3), 3.03E(6), 3.04B(4), 3.04C(3) and 3.05B. The notice shall set forth:
 - That the Player and/or Captain is being suspended;
 - When the suspension shall begin;
 - The length of the suspension;
 - The Player or Captain's right to appeal the suspension; and
 - The procedure for appealing the suspension.
9. *Effective date of suspension.* The suspension begins on the date indicated in the written notice made to the player or Captain that a grievance has been upheld and the suspension points assessed have reached the threshold for suspension.
